Once back on the boat turn right out of the marina and cruise westwards and immediately you encounter Glascote Locks, but the trainer will show you how to use the locks, so don't worry.

At the Fazeley Junction turn left along the Birmingham and Fazeley canal, soon you will reach Drayton Manor Theme Park - The UK's best family theme park with kids rides, family fun, zoo, and thrill rides. The entrance to the Theme park & Zoo is a short walk from the canal to your right.

It is 1.25 hours to Drayton Manor so if you are spending a day visiting here then moor up for the night ready for a whole day tomorrow.

Adults & children will love the white knuckle rides, but the park has many family rides and a Thomas Land area for the younger children, and a Zoo to explore. The park is closed during November to March.

Day 3

Today your route takes you through quiet countryside until you reach Birmingham, its only a short trip today so take your time.

The Gothic style footbridge at Drayton Bassett is worth a photo, it has twin battlemented towers which look quite ridiculous on such a small construction, but it is wonderfully eccentric.

You will pass Cliff Pool Nature Reserve and Middleton Lakes Nature Reserve on the right and there is also a childrens farm at Broomey Croft near Kingsbury Swivel bridge.

At Bodymoor Heath is a lovely pub- the Dog & Doublet by Cheatles Farm bridge. To the left is Kingsbury Water Park, a 600 acre landscaped park containing 30 lakes from old gravel pits. There are walks, nature trails, fishing, horse riding, sailing and wind surfing and power boating.

At the village of Curdworth there is a pub to the south of Curdworth bridge, and another in the village.

The Minworth Locks are soon reached & there is a handy transport cafe near Hansons bridge. There are also pubs – the Hare & Hounds by Minworth Green bridge, and The Boat by Caters bridge. There are 11 locks between Drayton Manor and Minworth

It is worth mooring for the night at Minworth, as moorings in Birmingham are scarce until you reach the Gas Street Basin/Brindley Place/Cambrian Wharf areas.

It is 4.5 hours to here.

Day 4

All shops are readily available alongside the canal around Salford, a good access point is where the A452 crosses the canal at Tyburn bridge.

Star City is just before Salford Junction to your left.

Star City is one of the UK's largest leisure destinations - a unique family entertainment destination with 12 restaurants and 11 leisure attractions including a 25 screen VUE cinema. Funfairs, fireworks displays and other exciting family orientated events regularly take place at StarCity, including high-profile attractions such as the Moscow State Circus and Cirque De Soleil. It is also home to England's largest Indoor Adventure Golf Complex, a 22 lane ten pin bowling alley, a purpose built all-weather 5-a-side football center, a Laser Station and a Twin Peaks Family Climbing Centre.

Soon there are 2 canals away to your left, take the 2nd turning to Cambrian Wharf, taking you through the flight of 11 locks at Aston to Aston Junction. Turn right here through the Farmer's Bridge flight of 13 locks where you will need the BW anti vandal key. Moor up in Cambrian Wharf, or turn left at Deep Cuttings Junction and moor up in Gas Street Basin, or turn right at the junctions and moor up in one of the loops which turn off the main canal.

Its is 7 hours to Gas Street basin but only 7 miles, with 27 locks

Moor up next to the Sea Life centre. On your doorstep will be every type of cuisine you can think of, from Caribbean to Nepalese, from Thai to Italian. Also clubs and bars, Theatres, Comedy and live entertainment and Cinemas.
