Napton and return from Gayton

Cruising Notes

Day 1

Head back down the Northampton Arm of the Grand Union to Gayton Junction.(Turn right out of the marina).

At Gayton Junction turn right down the Grand Union Canal. Soon you will pass the village of Bugbrooke, and the Wharf Inn is by Bridge 36, or there is a couple of village pubs if you walk into the village. Bugbrooke is 1.5 hours from Gayton.

You will probably want to move on & head for the village of Weedon which is just over 2 hours from Gayton & ideal for a 1st nights stop, there is a small aqueduct over a road as you approach the village. There are takeaways, stores & pubs in Weedon , you can moor up near the Church . The Heart of England pub by bridge 24 is a good family pub. Just before you get to Weedon is the Narrowboat Inn beside bridge 26, with canalside

seating and mooring. There is a selection of antique shops here which are well worth exploring.

Day 2

A short while after leaving Weedon you will pass Brockhall Park on your right, (access from Bridge 18). The Hall here is Tudor in part, and in the Victorian courtyard farm buildings has been established The Heart of the Shires Shopping Village. The Shopping village has about 25 widely ranging shops, including a tearoom, so is well worth a visit.

The canal continues through open landscape until you begin the climb up to the Norton Junction through a series of 7 locks called the Buckby locks.

The New Inn is canalside at Buckby Top Lock, with canalside seating and moorings. It is 5 hours 20 minutes from Gayton marina to here, or 3 hours from Weedon to here. At Norton Junction you can then go down the Grand Union west towards Braunston. From Norton Junction to Braunston the canal runs westward through hills and wooded country, then into a wooded cutting which leads to Braunston Tunnel.

Off to the north on your right you will pass the small village of Welton on a hill. At Bridge 6 $\frac{3}{4}$ mile from the Canal you can find a 400 yr old pub – The White Horse Inn.

Braunston Tunnel was opened in 1796 & is 2042 yards long.

Long rows of moored craft flank the canal, but there is usually plenty of places to moor, as it is worth strolling into Braunston as there are a fine selection of old buildings here. The British Waterways office in the Stop House, was originally the Toll office between the Oxford and the Grand Union canal. By lock 3 there is a haunted pub- the Admiral Nelson. In Braunston itself there is the Wheatsheaf which also has a Chinese & Thai takeaway. The Millhouse Hotel has a canalside garden, and the Old plough in the High street dates from 1672. The village has stores & a takeaway.

It is 6 hours cruising from Weedon to Braunston

Day 3

Continue on past Braunston & at Braunston Turn turn left at the junction, the canal now passes open countryside with a backdrop of hills, there are no locks or villages and you continue on until you reach Napton Junction. Continue left down the Oxford canal to bridge 111, as the haunted pub The Bridge at Napton is by the Bridge. Best access to the hilltop village is by Bridge 110, the village is scattered all over the hill, but the pubs and shops are at the bottom

Turn just before bridge 111

Day 4

Day 5

It is just under 8 hours cruising from Weedon to Napton, and 9.5 in total back to Gayton.
